BS (2020 - Current) Major: Computer Science; GPA: 3.1 - New Mexico State University, Las Cruces, NM

High School Diploma (2018) GPA: 3.6 - Gadsden High School, Anthony, NM

PROFESSIONAL EXPERIENCE

Server/Banquet Captain (April 2022 - January 2025) Amador Hospitality Inc. Las Cruces, NM

Amador Live eatery and entertainment district is a multi-venue establishment with two bars and two restaurants. Amador Live includes high-profile events such as concerts and movie premiers many of the events are sold-out shows and require you to be proficient in your time management skills and knowledge of all of the drink selection and food options available to guests and to be effective in communicating said product and the ability to answer guest questions. Responsibilities as the Banquet Captain included the set up of multiple events such as political ceremonies, weddings, fundraisers, and college athletic recruitment events. As well as making sure the event leaders were happy and being accommodated by staff. Lastly, I was to assign roles to other servers and provide solutions that may appear during said events.

Bartender (August 2021 - February 2022) New Mexico Vintage Wines, Mesilla, NM

New Mexico Vintage Wines is a wine shop/bar that has live music every weekend, the responsibilities required are knowledge of wines and wine pairing as well as recommendations, making and distribution of drinks(as there are no servers), preparation of simple foods such as charcuterie boards, as well as taking inventory after every shift and communication to management as well as other staff what is in stock.

Server/Banquet Captain (February 2020 - August 2021) Double Eagle De Mesilla, Mesilla, NM

Double Eagle de Mesilla is a high-end dining restaurant where professionalism is required. As an assistant manager to the banquet department, many requirements included running and managing many events over my time there including weddings, company dinners, political groups, and many celebrities and high-ranking people such as Elon Musk and Richard Branson. As a server, my responsibilities included drink knowledge such as wine pairings and alcohol prices as well as availability. Table-side cooking was also required as servers must make salads and desserts in front of the guests and supply entertainment well doing so.
